
DEDICATION

To my beloved Sisters and Brothers
of the Edmundston Diocesan Church

Graced by the Lord's many blessings
We proclaim to the world:
« His love is from age to age! » Alleluia!

God the Father works His kindness:
He gives the sky, the earth, and the sun;
He gives the forest, the land, and the sea:
This is our garden.

God the Son works his kindness:
He gives meaning to our lives;
He is poor with the poor.
He abides in our midst.

The Spirit works his kindness
In changing the human heart:
He founds a new world,
The first-fruits of the Kingdom.

If love works its marvels,
Let us live Love and live in God.
The Eternal One is in us.
Let us transform our world!
